

CITY OF MIAMI BEACH

ANNOUNCEMENT OF UNCLASSIFIED POSITION

PLANNER

\$45,965.19- \$74,237.91 ANNUALLY

NATURE OF WORK: This is responsible specialized technical and professional work in the City of Miami Beach Planning Department performing functions in various phases of City planning. Employees in this classification are responsible for reviewing permit plans for compliance with development regulations and will assist in the preparation of project outlines, pictorial and graphic presentations, detailed and comprehensive reports; the development of special study areas and urban design projects; and analyses and preliminary recommendations on planning issues.

MINIMUM REQUIREMENTS:

1. Graduation from an accredited college or university with a Bachelor's degree in Architecture, Economics, Geography, Historic Preservation, Landscape Architecture, Planning, Public/Business Administration, Urban Studies, or a closely related field **AND** two (2) years full-time paid experience in planning work including comprehensive planning, land use, or zoning; urban design, site analysis, long-range planning, or research analysis. A Master's degree in any of the above fields may substitute for one (1) year of experience.
2. Valid Florida Driver's license.

DESIRES: Dependable and enthusiastic individual able to work in a multi-faceted role, within a team-oriented environment, with a focus on Zoning, Urban Design and Historic Preservation. Strong written and verbal communication skills, familiarity with and ability to apply Land Development Regulations, as well as the ability to read and comprehend architectural plans and construction drawings for development review. Experience in the areas of Zoning, Urban Design, Historic Preservation, as well as research and report writing are highly desirable.
